Liberty Glen Campground At Lake Sonoma

3333 Skaggs Springs Road
Geyserville, CA 95441
(707) 433-9483

<http://www.spn.usace.army.mil/lakesonoma>

Liberty Glen is the only campground at Lake Sonoma with drive-in access. Liberty Glen offers campsites for tents and RV's as well as single-family sites, larger double sites and a group area. No electrical hook ups are available. Liberty Glen provides excellent access to our hiking trails. Access to the shoreline of the lake is by trail or by car. In order to maintain a family friendly and safe environment, we ask that you follow these simple guidelines:

Important Car Camping/RV Access Update

The flush toilets, showers, and dump station at Liberty Glen are currently out of service due to limited output of our water wells. For this reason, reservations are no longer accepted at Liberty Glen and the campground is operated on a "first come, first served" basis. However, portable restrooms are available for our visitors. In addition, drinking water is NOT available.

Single Site..... \$10.00/night
Double Site..... \$20.00/night
Group Sites*..... \$40.00/night
Extra Vehicle Fee (for each vehicle above the first two)..... \$4.00/vehicle

* Group campsites at Liberty Glen are available through reservation by contacting Ranger Mike Atchison at (707) 433-9483 x 25.

Check-in/Check-out

All campers are required to register or check-in at the Liberty Glen entrance booth. If the booth is not staffed, campers should follow the registration instructions posted on the bulletin board by the entrance booth. Fee envelopes and a deposit slip vault are available to pay fees when the booth is not staffed. Checkout time is 12:00 noon of the final day of your visit. Failure to vacate the site may result in additional camping fees and/or a citation, unless prior arrangements have been made.

Fires

Campfires are permitted only inside the fire-ring at designated campsites. Tiki torches are not allowed. Campers may gather **DEAD** and **DOWNED** wood only. Firewood is available for sale at the front entrance booth.

Pets

Pets must be on a maximum 6-ft. leash at all times. Pets must not remain unsupervised in a campsite at any time. Campers are responsible for cleaning up after their pets.

Juveniles

Anyone under 18 years of age must provide a written letter of permission from his or her parent or guardian with an emergency phone number. The juvenile must also bring a valid picture ID with proof of age. Juveniles without a legal guardian or written permission will not be allowed to camp on his or her own.

Quiet Hours

All generators, radios, and other noise producing equipment must be turned off between the hours of 10:00 PM and 6:00 AM. Disturbing the peace at any hour may be grounds for removal from the park and loss of fees paid.

Emergency Access

Cell phones do not have clear communication in all regions of the park. In addition, dialing 9-1-1 by cell phone routes the call through the CHP in Benicia. If calling by cell phone in an emergency; call the Sonoma County Sheriff's Office Dispatch at (707) 565-2121. If calling by pay phone dial 9-1-1.

Refunds

Lake Sonoma does not give immediate cash refunds back to the customer. Family emergencies do occur and the *National Recreation Reservation Service* will process refund requests if you have to cancel or leave early. Refunds are generally not granted for changes in weather, insects or other natural phenomenon. If you have a problem with your campsite, contact park staff immediately.

Extra Vehicles

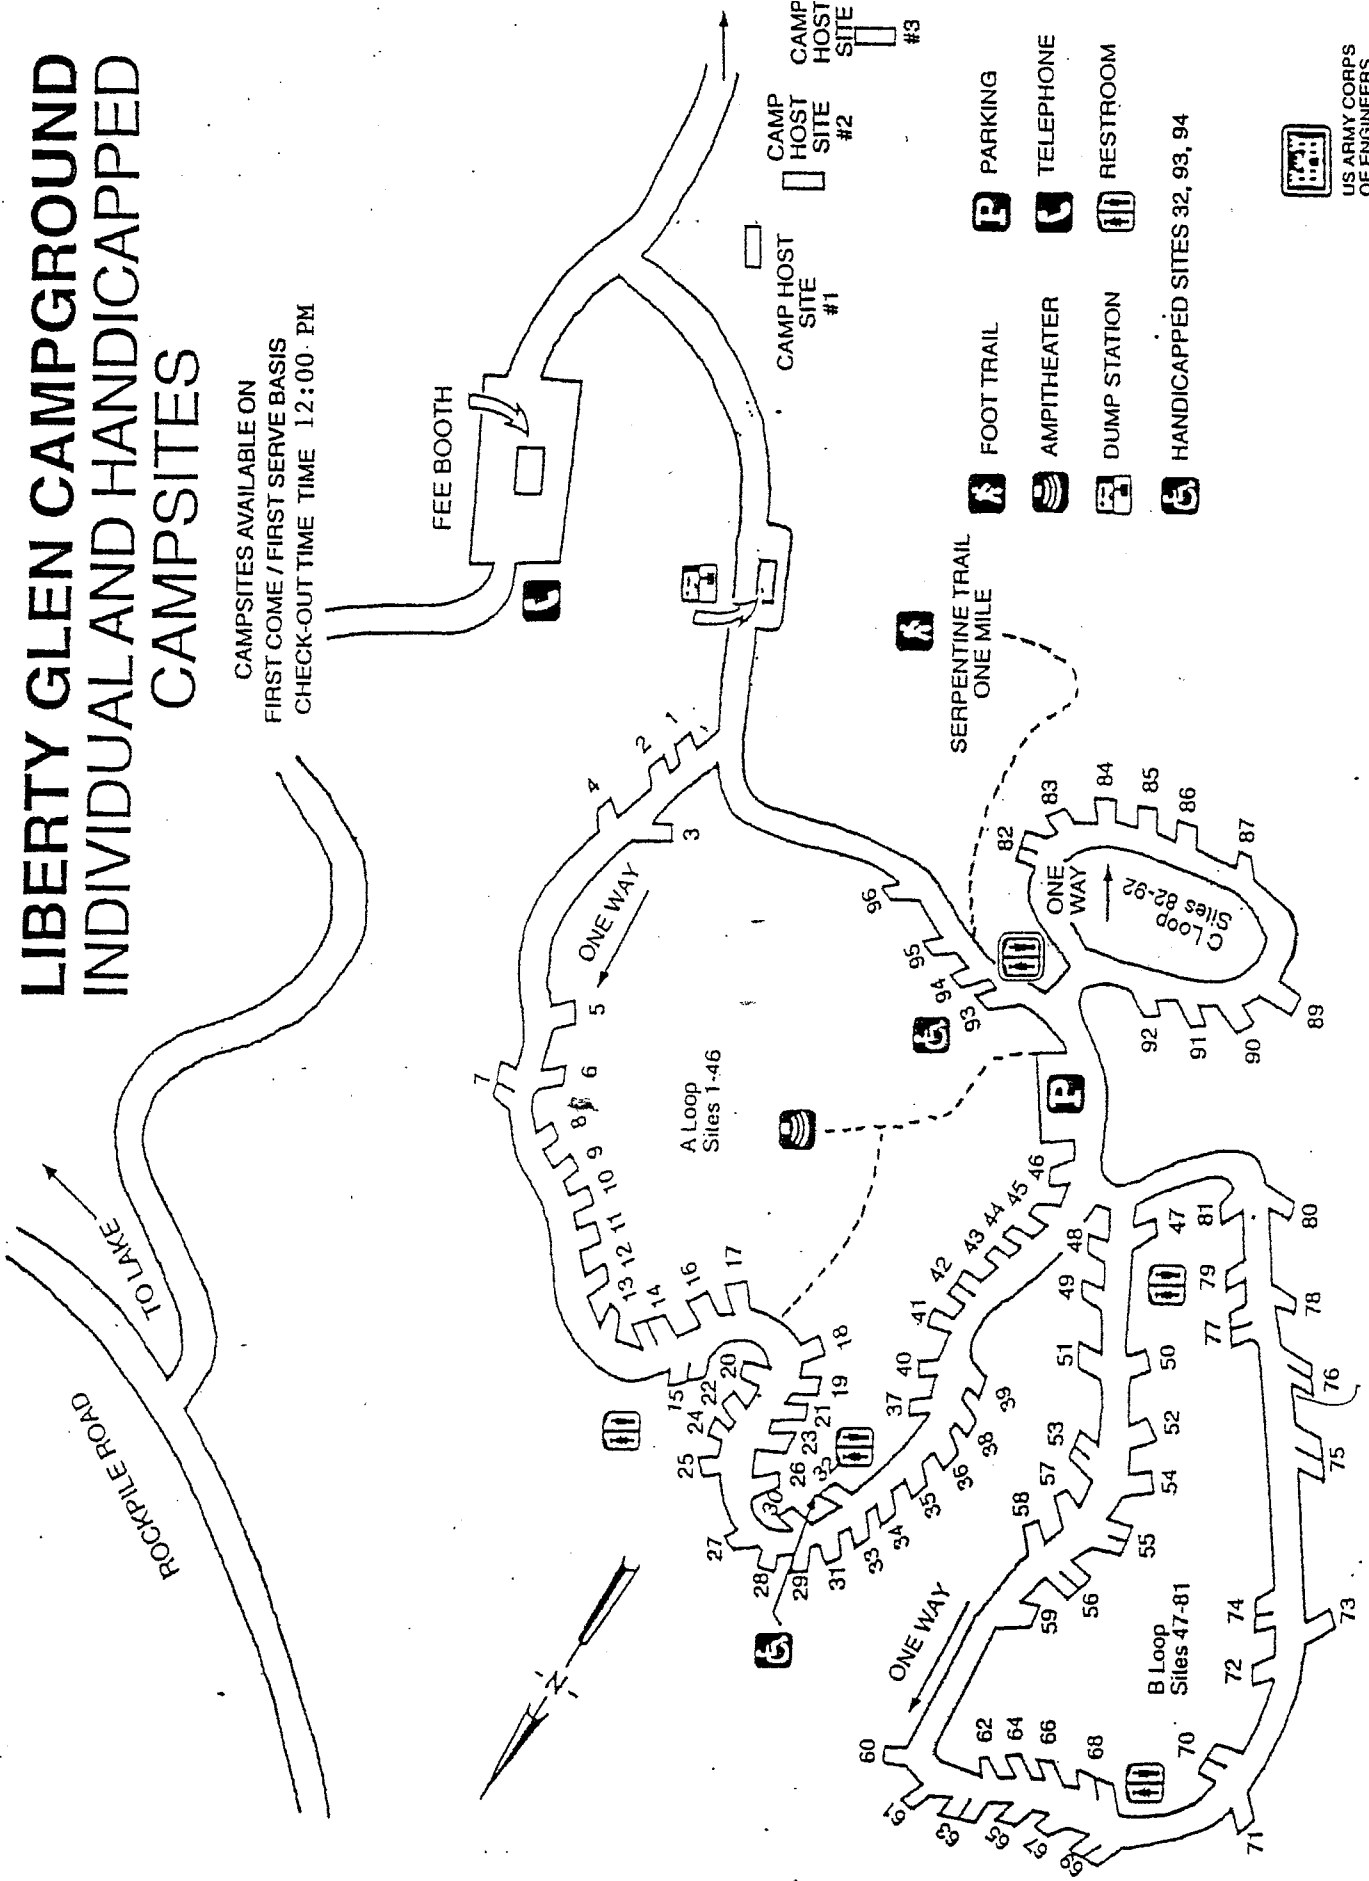

Your camping permit includes entry for a maximum of two "vehicle units" and 8 people for a single-family site. Thus a single campsite may contain two autos, an auto with a trailer, or one large recreational vehicle. Please call the Visitor Center if you need to arrange for extra parking; additional fees may apply.

Gate Closure

The campground gates are open from 7:00 AM to 10:00 PM during the summer. After 10:00 PM the gate closes. Cars will be able to exit Liberty Glen but not enter until the following morning.
